

Introducing the New HR Learning Management System (LMS)

What Do I Need to Know About My Homepage?

The screenshot shows the UMass Chan Medical School Percipio LMS homepage. Red boxes with numbers 1 through 9 point to specific features: 1. Search bar; 2. My Learning tab; 3. Recent Learning tab; 4. Skill Benchmarks tab; 5. Playlists tab; 6. Goals tab; 7. Guide Me tab; 8. Based on your selected skills section; 9. Recommendations for you section.

1. Find relevant content using the **search bar**.
2. Complete **assigned** content (tab will only appear if you have any assignments).
3. Pick up where you left off from the **Recent Learning** tab.
4. Start, complete or retake **Skill Benchmarks** to improve your proficiency level.
5. See content you set aside within your **Playlist**.
6. Set a weekly **Learning Goal**.
7. Access **Guide Me** to be directed to other areas of Percipio based on your chosen objective, such as "I want to learn a new skill, I want to prepare to get certified, I want to get ready for a new role, or I want to explore".
8. Explore recommended content based on the **skills** you selected after first time login.
9. Access personalized **recommendations for you** based on recent activity.
10. Access the **library** tab at the top to experience the most extensive content.

5-MINUTE ACTIVITY OF THE WEEK: Log into the HR LMS and select the skills you would like to build. On the Home page, find the *Based on your selected skills* section, choose a skill tab and then select the type of content you are interested in (Watch, Read, Listen, etc.), and access one of the titles provided.

IT'S TIME TO UNLEASH YOUR EDGE.
