UMass Medical School is Massachusetts' only public medical school. Commonwealth Medicine is the health care consulting division of UMass Medical School. As leaders in the development and implementation of health care reform, CWM stays ahead of health care trends and helps strategize and plan for changes that impact both health care delivery systems and patients.

The CWM Clinical Pharmacy Services program is responsible for administering client-specific programs to provide clinical pharmacy expertise with regard to member prescriptions. This position will handle live calls from members and occasionally prescribers and pharmacists to provide information regarding client initiatives.

Call Center Pharmacy Technicians

Pharmacy Technician certification with no pharmacy experience or 1 year pharmacy or drug utilization review experience
