

Health Education Academy for Leadership and Learning (HEALL): Supporting the next generation of educational leaders

David Hatem MD

Director Health Education Academy for Leadership and Learning

HEALL

HEALTH EDUCATION ACADEMY FOR
LEADERSHIP AND LEARNING

Generously supported by the Morningside Foundation

January 16, 2025

Our Academy Vision & Mission

Vision

Recognizing and supporting educators in their pursuit of mastery.

Mission

*The Mission of the UMass Chan Health Academy for Leadership and Learning is to **promote the success of our educational program** through the **deliberate development of an interprofessional cadre of educational leaders** **skilled in a scholarly approach to teaching and learning** and to **foster the development of a professional identity as educators.***

2024-2025 Theme

Belonging: Creating inclusive, welcoming learning environments, communities and organizations

Programs to Recognize & Support Educators in their Pursuit of Mastery

Collaboratives

- Meet institutional needs for educational program expansion and integration
- Collaboration across interest groups
- Focused on innovation in health or biological sciences education (ex. Simulation, competency-based education, etc.)

Research Groups

- Research project focused on an area of educational scholarship
 - With defined educational outcomes
- Expected to present findings to the UMass Chan Community, journals, and applicable conferences

What is coming

Call for second fellowship cohort (Jan–Feb 2025)

Launch collaboratives (Jan 2025)

Education Day June 12, 2025

Call for next cohort of members (July–Aug 2025)

Education Grand Rounds (Feb–April 2025)

When you meet with your educators...

What are your career goals in education?

Do you aspire to leadership? (fellowship)

What are your new ideas for education?
(collaboratives)

What initiatives would you like to investigate?
(research projects)

Who are your mentors/sponsors? (context)

Who are your colleagues/community?

Advancing
together
