

Health Education Academy for Leadership and Learning (HEALL): Supporting the next generation of educational leaders

David Hatem MD

Director Health Education Academy for Leadership and Learning

HEALL

HEALTH EDUCATION ACADEMY FOR
LEADERSHIP AND LEARNING

July 11, 2024

Our Academy Vision & Mission

Vision

Recognizing and supporting educators in their pursuit of mastery.

Mission

The Mission of the UMass Chan Health Academy for Leadership and Learning is to promote the success of our educational program through the deliberate development of an interprofessional cadre of educational leaders skilled in a scholarly approach to teaching and learning and to foster the development of a professional identity as educators.

Programs to Recognize & Support Educators in their Pursuit of Mastery

Collaboratives

- Meet institutional needs for educational program expansion and integration
- Collaboration across interest groups
- Focused on innovation in health or biological sciences education (ex. Simulation, competency-based education, etc.)

Research Groups

- Research project focused on an area of educational scholarship
 - With defined educational outcomes
- Expected to present findings to the UMass Chan Community, journals, and applicable conferences

Education Grand Rounds (2023-24 Series)

Coaching in Healthcare Medicine
