Password: Psych2020

To RSVP, email Pooja Modi at pooja.modi@umassmemorial.org

The Global Mental Health Forum was started in 2014 by the UMass Chinese Mental Health Program with the goal to provide a platform for real-time, interactive, and critical discussion of interesting mental health care topics amongst people from different cultures. UMass and other institutions, such as the Shanghai Mental Health Center and Tianjin Mental Health Center, alternate to contribute discussion topics. For more information about the UMass Chinese Mental Health Program, please visit: <http://www.umassmed.edu/psychiatry/globalinitiatives/chinamentalhealthprogram/welcome/>
